30mm ABS Disc NTAG213

One of our most popular asset tag products, the ST720 is a well made, durable, water resistant black 30mm ABS disc tag made to IP66 standard (dust proof, powerful water jets). Using a copper coil antenna and NXP's NTAG213 chip for stability and reliability. 3.3mm central hole for screw fixing if required.

An ideal tag for product, furniture or industrial integration, general asset tagging or warehouse location tagging. Optional adhesive can be supplied. Available with a laser etched visual ID as a special order.
