## 19mm Square White NTAG213

A 19mm x 19mm square white face adhesive label. This small NFC tag is ideal for asset tagging smaller items, product integration or in packaging where space is limited.

The PET plastic face can be ID and QR Code printed with encoding or UID scan to match as required. Supplied on reels up to 2,000 units.

Contains NXP's NTAG213 NFC chip for reliability and performance.

DATASHEET ST789
